

NON DISCRIMINATION POLICY

Tabu Lounge and Sports Bar promises to strive to provide a space that is free of discrimination, harassment, aggression or behavior that counters our goal to provide our customers with a safe, enjoyable, open, welcoming, and fun filled space. We will continue to strive to make this a space where all members of the community can feel welcome and free to express themselves as they so choose so long as it is in a manner respectful of others. Our staff is here to make your experience as fun and enjoyable as possible and will provide you with courtesy and respect.

We also understand that sometimes a staff member may not understand that their words or actions have been inappropriate or contrary to our non discrimination policy. We welcome education on the issues to make Tabu Lounge and Sports Bar even more knowledgeable and welcoming than before.

If there are any problems, concerns, suggestions, or complaints, we ask that you immediately inform a manager and/or email us at happy@tabuphilly.com
