

DRESS CODE

Tabu asks all its customers to maintain themselves in proper dress understanding that various events, performances, parties, and communities have differing views of what is appropriate, stylish, fashionable, and acceptable. Understanding that all individuals should feel comfortable and empowered to dress in a way that represents who they are, we ask that you consider the following when dressing for Tabu:

1. Please wear shoes and keep them on (If you wear flip flops, no complaining about a spilled drink).
2. Please refrain from ski masks or other masks except during costume type events (We need to see your good looks).
4. Please wear a shirt but we know there are events and times when you might “lose” your shirt. We ask that you not enter the dining room area without a shirt. (Its smart dining etiquette).

We are committed to embracing everyone’s individuality in how they dress and we do ask that everyone respect each other at Tabu Lounge and Sports Bar, treating others as they would like to be treated. We are also bound by the Rules imposed by the Commonwealth of Pennsylvania and we know that government can be behind the times.

Anytime you believe that Tabu Lounge and Sports Bar does not follow the above rules, please ask to speak to a manager or communicate directly with happy@tabuphilly.com. We may not be perfect, but we will do our best to get it right every time.
